Our Products

BREAD FRUIT

(Panapen/Pana)

Breadfruit is a species of flowering tree in the mulberry and jackfruit family. Contains considerable amounts of starch and is seldom eaten raw. It may be roasted, baked, boiled, fried, or dried and ground into flour.

Seasonal Product (Jun - Aug / Oct - Dic)

*Availability may increase, due to seasonal change

Our Products

EGGPLANT

(Aubergine)

Typically used as a vegetable in cooking, its ability to absorb oils and flavors into its flesh, bring a unique texture and mild flavor to recipes.

Rich in fiber and antioxidants, nutrient-dense and low calorie food. A serving of eggplant can provide at least 5% of a person's daily requirement of fiber.
